Nugene Pharma (Shandong), previously known as Meiji Seika Pharma (Shandong), is a subsidiary of the Hengkang Group through an acquisition in 2022.

Established in 2003, Nugene Pharma boasts a facility spanning more than 130,000 square meters and committed to the development and manufacture of high quality dietary supplement ingredients.

Holding multiple GMP certifications, Nugene Pharma effectively manages five operational plants, a dedicated R&D laboratory, and a precise quality control department, all with the overarching goal of delivering premium-grade products and services to our esteemed clientele.

- Established in 2004, Zhejiang Hengkang Pharmaceutical Group is a dynamic pharmaceutical entity, spanning drug research, large-scale production, and global marketing. With an emphasis on high-end active pharmaceutical ingredient R&D, manufacturing, and sales, Hengkang is devoted to delivering superior pharmaceutical products and professional services.

Headquartered in Hangzhou, Hengkang established multiple factories, research and sales centers in Zhejiang, Shandong, and Henan. With facilities conforming to global API standards, along with professional R&D and marketing teams, Hengkang's operations span major pharmaceutical markets such as China, Europe, the CIS region, Japan, and South Korea. Hengkang has established long-term and stable relationships with nearly 70 countries overseas and hundreds of domestic enterprises.
